Man Yue Technology Ranked 2nd “Best Small-Cap” of the Year – Hong Kong in *FinanceAsia*’s 2011 Asia’s Best Managed Companies Poll

(15 May 2011 – Hong Kong) – **Man Yue Technology Holdings Limited** (“Man Yue Technology” or the “Group”) (stock code: 00894), one of the largest aluminum electrolytic capacitor (“e-cap”) and conductive polymer aluminum solid capacitor (“polymer cap”) manufacturers in the world, was ranked as the second “Best Small-Cap” in Hong Kong in the 2011 “Asia’s Best Managed Companies Poll” conducted by *FinanceAsia*, the leading financial magazine in Asia Pacific.

Ms Kee Chor Lin, Chairman of Man Yue Technology, said, “We are greatly delighted to be honoured for the first time in this authoritative regional poll, a recognition by the investment community of our efforts to grow Man Yue into an excellent business and well-managed and governed corporation. With our strong R&D capabilities, coupled with our long-term strategic plan as well as focused management philosophy, we are confident of achieving sustainable growth and continuing to bring fruitful returns to our shareholders”.

The Poll, in its eleventh consecutive year, is conducted by surveying more than 300 major investment professionals and financial analysts in the Asia-Pacific region about the region’s best managed companies. The companies were evaluated on criteria such as overall management, corporate governance, investor relations and corporate social responsibility.

About Man Yue Technology Holdings Limited

The Man Yue Group of Companies was founded in 1979 and listed on the Hong Kong Stock Exchange in 1997. The Group’s core business is the manufacture and sale of aluminum electrolytic capacitors (“E-Caps”), Conductive Polymer Aluminum Solid Capacitors (“Polymer Caps”) and Electric Double-layered Capacitor (“EDLCs”). The Group offers a full range of E-Caps products, ranging from miniature to large-can E-Caps, which satisfy the needs of its global customers, consisting mainly of the world’s leading brands in the high technology and energy sectors. In 2006 and 2009, the Group has launched two innovative products known as Polymer Caps and EDLCs respectively. As the world’s fifth largest E-Caps manufacturer, the Group owns the renowned SAMXON and X-CON brands, both of which are well-known for their superior quality, strong R&D capabilities, and established global network. The Group also provides Component Electronic Manufacturing Services (“Component EMS”) to some of the world’s most respected component brands. All of the Group’s products comply with RoHS and environmental protection regulations specific to different global markets. The Group is headquartered in Hong Kong and operates state-of-the-art E-Caps manufacturing facilities in Dongguan, Wuxi and Jiangxi, PRC, with a total production capacity of over 900 million pieces per month. The Group further owns two aluminum foil factories located in Qingyuan and Urumqi, PRC, which produces aluminum foil for its own consumption. The Group has distribution offices located in Hong Kong, Mainland China, Taiwan, Malaysia and the United States supplemented by distribution channels worldwide. In 2011, the Group ranked 2nd “Best Small-Cap” in Hong Kong by *FinanceAsia*’s Best Managed Companies Poll.
