#### PART NUMBER SYSTEM (EXAMPLE : 250V 150μF)

The diagram illustrates a 13x13 grid layout. The grid is divided into several sections by dotted lines. The sections are labeled as follows:

- E**: Top-left corner section.
- RY**: Section below and to the right of E.
- 157**: Large rectangular section containing the number 157.
- M**: Section below and to the right of 157.
- 2E**: Section below and to the right of M.
- I**: Section below and to the right of 2E.
- 50**: Section below and to the right of I.
- RR**: Bottom-right corner section.

The sections are interconnected by dotted lines, forming a complex path through the grid. The labels are in bold capital letters.
